

GARYTH THOMAS

Garyth was appointed to the Board as a Community Director in September 2014 and lives in Hawick. Garyth started his career in the Transport Industry gaining experience through various functions before being appointed Manager at various branches throughout the country.

A career change took him into the wholesale UPVC business for fourteen years looking after the Credit Control Department.

Following on from the UPVC company, Garyth was employed by a house builder and timber frame manufacturer responsible for credit control and also for managing the implementation of ISO 9001.

Garyth also worked in various administrative roles before his retirement in 2010.
