

## Julie Watson

Julie was appointed to the Board in September 2021 and has over 30 years of housing experience having spent her career working for Scottish Homes and Registered Social Landlords.

Julie has a BA Degree in Business Management, CMI Diploma in Management and Leadership and a CIH Housing qualification.

Julie has a track record of delivering innovative, collaborative and sustainable affordable housing projects including the delivery of the first Passivhaus for Social Rent in the UK and key regeneration projects including the award winning Fraser Avenue, Inverkeithing project.

In her current role as Head of Capital Investment at Kingdom Housing Association, Julie is responsible for the delivery of Kingdom's new affordable housing supply programme and for the implementation of innovation and sustainability practices within the service.
