1. Introduction

- 1.1. Waverley Housing recognises the value and importance of providing opportunities to all its Employees to develop their job-related knowledge and skills.
- 1.2. Waverley Housing will provide and support development and training for any Employees faced with new work or a new work environment, to help them deal competently with their work.
- 1.3. All permanent Employees will be appraised, thus providing an opportunity to review Job Profiles and plan training to allow for staff development (Refer to Staff Appraisal Policy).

2. Purpose

- 2.1. Staff development and training will usually be identified from the following sources:
 - a) Induction
 - b) Staff Appraisal Scheme
 - c) Employment Legislation
 - d) Line Manager
- 2.2. However, there may be instances where training is identified from other sources, e.g. changes to company policies and procedures and new technology. In such instances, the Executive Team will have responsibility for ensuring appropriate training is provided.

3. Responsibilities

- 3.1. Primary responsibility for the planning and implementation of cost-effective training and development lies with the Executive Team who will continually review and monitor the Training and Development Policy.
- 3.2. Operational Managers will have responsibility for ensuring every Employee in their section is made aware of the Training and Development Policy.
- 3.3. HR will be responsible for arranging courses, seminars and any other training requirements for all Employees.

4. Monitoring

- 4.1. Attendance by Employees at Further Education/Day Release college courses will be monitored by HR who will prepare an annual report on training undertaken.

5. Evaluation

- 5.1. The effectiveness of all external training courses/seminars will be assessed through the completion (by relevant Employees) of an "Evaluation of External Training Courses" form.

6. Induction

- 6.1. Induction training will be provided for all new Employees to help them understand how the function of their job relates to Waverley Housing's role, vision, values and strategic objectives, and to ensure that they understand their responsibilities in the workplace. (Refer to Induction Programme).
- 6.2. Existing Employees transferring between sections will be given induction training, whereas existing Employees, who transfer within a section, will receive section induction training only.

7. Staff Appraisal Scheme

- 7.1. All permanent Employees will have the opportunity to discuss and agree on their individual training requirements and continuing personal development through Waverley Housing Staff Appraisal Scheme (Refer to Staff Appraisal Policy).
- 7.2. Formal appraisal interviews will be held at least once every 12 months. In addition, there will be regular informal reviews which will provide an opportunity for ongoing discussions.
- 7.3. Whilst the Line Manager is responsible for conducting Staff Appraisal Interviews and identifying training needs at that particular time, Waverley Housing recognises there may be instances when the Line Manager identifies particular training needs as a result of changes in work content or work environment. In such instances an Employee Training Needs Form should be completed and forwarded to a member of the Executive Team for authorisation.

8. Employment Legislation

- 8.1. Where training is considered to be essential as a result of employment legislation e.g. Health and Safety, appropriate training will be provided to all appropriate Employees by a qualified representative of Waverley Housing, or through attendance at courses or seminars.

On completion of the course, any books, tools and/or equipment must be returned for the use of Waverley Housing and other Employees. Failure to do so will result in the Employee being charged for the full cost of the items. Loss or damage to

books, tools or equipment must be made good by the Employee. The Employee will meet the cost of books, tools and equipment which are not approved for the course.

9.1.3. Travel Expenses

13.3. If the Employee is successful in the re-sit examination, a normal resumption of further education facilities will be granted. Where, however, the Employee fails at a further stage in the course of the study, no further assistance will be given either to re-sit examinations or to repeat the course of study. In the case of acceptable extenuating circumstances, this procedure may be varied by the Executive Team.
