

**OTHER COMMUNITY NEEDS**  
**Priority Application Form**

[www.waverley-housing.co.uk](http://www.waverley-housing.co.uk)

**If you consider your circumstances justify a degree of priority that is not covered in our other priority categories you can use this form to apply for priority.**

**You may qualify for priority on community needs if:**

- You are experiencing domestic abuse
- You need to move to a specific area to provide or to receive care and support
- Your job requires you to live in a specific area – for example a community policeman
- You are having difficulty accessing essential services from your current home
- If you have any other priority need which you consider is not catered for in any of our other priority categories.

If you need to move to a specific area to receive care and support, it may be that you would be given higher priority based on your health needs. Please check first with us for advice on whether this is the correct priority form to use under these circumstances.
